

CENSUS 2020

We All Count

The 2020 Census is around the corner.

It is time for us to make sure everyone in our community is counted and gets the resources they deserve. The census shapes everything from whether or not we have fair political representation in Congress to whether our roads, hospitals, schools, and fire departments have the funding they need.

The census is easy and safe to complete.

Show your commitment to completing the census by signing our pledge.
